

New partnerships with Mitsui & Co.

Date : June 28, 2019

RAII is looking into a possible agricultural partnership with global industry leader Mitsui & Co. Mitsui & Co. has an established place in the world food trade. Numerous investments in food production and distribution including grains, fruits, dairy, meats, and other agrarian products exemplify its international presence.

RAII has begun meeting with Mitsui & Co. to discuss a possible partnership in the fields of smart farming, port facilities, and basic commodities; paving the way towards future cooperation.
